**EA Mandatory Documents** are required to be used by accreditation bodies when accrediting conformity assessment bodies to ensure that both operate their activities in a consistent and equivalent manner. EA Mandatory Documents do not establish, interpret, subtract from or add to the requirements of any ISO/IEC/EN Guides and Standards or other technical specifications and normative documents, but assure consistent application of those documents.

For further information on the categories of EA documents and its classification into Mandatory, Guidance, Informative and Technical/Advisory documents, see EA-1/14 Procedure for Development and Approval of EA Documents and the Adoption of ILAC/IAF Documents.

## **1 DOCUMENT CONTROL**

As owners of the EA publications, the EA Committees are responsible for the drafting, control and revision of their documents.

The same applies for the documents owned by the EA Secretariat.

The EA Secretariat is responsible for the preparation of the documents for publication on the EA web site according to EA-0/06 Format and Layout of EA Documents and EA-1/14 - Procedure for Development and Approval of EA Documents and the Adoption of ILAC/IAF Documents.

Periodically, at least every 5 years, the Committees shall review the publications they are responsible for.

For any question relating to a publication, please contact the EA Secretariat.
